PARANORMAL  
MUSEUM SERIES

---

At an auction, competition can be deadly...

When Maddie attends an estate auction of artifacts from America's spiritualist era, it's just another day in the life of a paranormal museum owner... Until she discovers the body of the murdered auctioneer.

Her mother is convinced the murderer is after a mysterious statuette that once belonged to the town's Ladies Aid Society. With the holidays approaching, Maddie and friends dive into the mad world of obsessive collectors to find the missing statuette... and a killer.

Maddie tracks her suspects through a secluded gothic estate, in the wineries of Central California, and along the streets of small-town San Benedetto. But this clever criminal is determined to win at all costs. Will the killer use Maddie's friends as the ultimate weapon against her?

If you love laugh-out-loud mysteries, witty heroines, quirky cats, and a touch of the paranormal, you'll love *Going, Going, Dead*, book 6 in the Paranormal Museum mystery series. Read this twisty cozy mystery today!

## ABOUT KIRSTEN

# BIOGRAPHY

I write laugh-out-loud, page-turning mysteries for readers who want to escape with real, complex, and flawed but likable characters. If there's magic in the story, it works consistently within the world's rules and is based in history or the reality of current magical practices.

I'm best known for my cozy and witch mystery novels, though I've written steampunk as well. So if you like funny, action-packed mysteries with complicated heroines, just turn the page...

USA-TODAY  
BESTSELLING  
AUTHOR

"A high-voltage, cleverly-spun mystery that I couldn't put down. Riga Hayworth is addictive."

FRESH FICTION

"If you love cozy mysteries and want something just a tad different, *Chocolote à la Murder* is exactly your cup of tea! Kirsten Weiss crafts realistic and likable characters and puts them in intriguing situations. I may never think of chocolate making the same way again!"

ANDI'S BOOK  
REVIEWS

"Quirky characters can make or break your book. I've read other cozies that had some quirky characters that just fell short of the mark for me. But I was completely dedicated to this crazy cast... The situations they find themselves in are completely out-of-this-world and I want to see this played out on a screen somewhere. It's just that much fun."

KIRKUS REVIEWS

"Weiss' many quirky ongoing characters add charm and humor."
